

One-man show, outdoor or indoor. It's a gathering of techniques of acrobatics, juggling, improvisation, provocation and humor in perfect sync with the music, so that the audience fly to another reality.

The high technical level of the circus, is complemented by the improvisations, giving life to a unique genre of universal playful communication. A dog, a Frog and a Chicken are the characters of this little story, where the only animal in, is their owner !

THE ONLY ANIMAL HERE is ME
